Such an enormous crowd was present the sheriff had to call in extra deputies to help in keeping order.

McCarn brought the cross examina-

tion to an abrupt end shortly before noon, and the re-direct examination was completed shortly afterwards. Robin swore that before the shooting he did all in his power to keep his father off the streets and from meeting Carmack, saying he was afraid Carmack would attack him.

## EXCURSION TRAIN WRECK

And Seven Bodies Have Been Recovered—Many Were Injured—Were Going to See Ships.

Delmar, Del., Feb. 22.—The first section of a Pennsylvania passenger train, filled with passengers on their way to witness the home coming of the battleship fleet, ran into a siding here this morning and collided with two other locomotives. Seven bodies have already been recovered from the wreckage, and it is believed others will be found. Trixie, the famous educated horse, was riding in the baggage car, and it is reported that his trainer was killed. Many passengers were injured, some of them seriously.

Later.—Further details from the wreck bring the information that all of the dead were members of the train crews. The trainer of Trixie was not killed, but may die of his injuries. The wreck caught fire and the bodies of the dead were horribly burned.

## BIG RACE EVENT

San Francisco, Cal., Feb. 22.—What is in all probability the last California derby, with a purse of fifty thousand dollars plus the entry and starting fees, will be run this afternoon, and the race is attracting great interest in western racing circles. It is expected that one of the largest crowds in the history of California racing will witness the race. A number of famous horses are entered to start.

## POLICE ARE ACTIVE TODAY

And All Saloons and Many Factories Have Been Closed Down in Omaha. Rising Against the Greeks.

Omaha, Neb., Feb. 22.—Today every undestroyed building occupied or owned by Greeks is surrounded by a detachment of police, who are determined to prevent a repetition of last night's riots. An order closing all saloons is being rigidly enforced today. In fact, the day is being largely observed as a holiday and many business houses and factories are closed. There is some fear that the feeling against the Greeks may extend to the Japanese and cause further trouble.

Will Not Send Troops.  
Lincoln, Neb., Feb. 22.—Governor Shallenberger declared today that he will not send troops to Omaha, as he has been assured by the local authorities of Omaha that they can handle the situation without help.

## South Omaha Mob Raided Greeks.

Omaha, Neb., Feb. 21.—Following a harangue at a mass meeting at the city hall in South Omaha, at which two members of the state legislature and an attorney were the principal speakers, a wild mob of eight hundred to one thousand men started for the Greek quarters to avenge the death of Patman Edward Lowery, who was shot and killed Friday night by a Greek whom he had placed under arrest. Before the thirst for blood had been satisfied two boys were shot and at least eight persons injured by heavy missiles which the crowd used as weapons, and not less than thirty buildings were partially demolished. The injured boys were Frank Sweeney and Joseph Gamble, each about fifteen years old, who received part of the contents of a gunshot fired by the maddened Greeks. The other persons injured are all foreigners.

Two blocks east another crowd smashed the front of a saloon and seven daring spirits attempted to pillage the interior when a squad of police charged the crowd and prevented the mob from securing liquor. It was at this place the two boys were shot and others injured.

A third crowd rushed to Twenty-fourth and L streets and attacked a confectionery store run by Demos Bros. They broke the plate glass windows, the doors were kicked in and the stock and show cases destroyed. Mrs. Mary Demos and her aged father were in the store and both narrowly escaped death at the hands of the mob.

WOMAN KILLED, MAN SHOT.  
Tragedy Occurred at Marshall Sunday Afternoon.

Marshall, Texas, Feb. 21.—Sam Ford, a well known citizen of Marshall, was shot through the lung and his sister-in-law, Mrs. Ed Ford, was shot through the heart and killed in their buggy about 3:30 o'clock this afternoon. Mr. Ford was about fifty years of age and the dead woman about fifty-five.

They were driving near the West End public school when a man in a buggy, approaching from the opposite direction, opened fire upon them with a revolver. Four shots were fired.

When a physician arrived Mrs. Ed Ford was dead.

It was found that Sam Ford had been shot through the lungs and his condition was pronounced very serious.

Jesse Denson, about 30 years of age, was arrested in connection with the case and placed in jail.

LOAFING ON TIME.  
Big Fleet Had Time to Spare Before Program Time.

Point Comfort, Va., Feb. 22.—The American battleship fleet which had been loafing during the night on the southern drill grounds was sighted early this morning off the capes, coming in on slow speed. The boats were timing their movements to pass the president's boat, the Mayflower at the tail of the Horseshoe at 11 o'clock.
